

CERTIFICATE

We hereby certify that the references below comply with the international standard IEC61340-5-1 “Protection of electronic devices from electrostatic phenomena – General requirements”

20-871-0508 – static shielding bags 127x203mm
20-871-2026 – static shielding bags 508x660mm
20-871-0812 – static shielding bags 203x305mm

The surface resistance is < 10e11 Ohm
