

# KIWO® CleanWipes EL

Abrasion-resistant and lint-free wipes for all kinds of application in the field of SMD electronic cleaning

SIMPLE  
CLEANING

## Product benefits

- convenient handling
- ready to use immediately
- re-sealable
- no tiresome top-up
- the right wipe for every application

## Small dispenser – big effect

**Need to save time using cleaning wipes? KIWO CleanWipes EL are the answer!**

Wear-resistant and lint-free, these wipes are impregnated with the optimum cleaning fluid for all kinds of application.

**Remove sealing foil, draw the first wipe into the lid aperture, close lid and you're all set:**

**CleanWipes are available in 4 versions:**

### **KIWO CleanWipes EL 7660**

Cleans misprints, stencils, squeegees, tools and machine parts from SMD adhesives, solder pastes, solder resists etc. Good dissolving power, slow drying.

### **KIWO CleanWipes EL 7860 IPA**

Cleans pastes, adhesives and other contamination swiftly and without residue from work tables, machine parts, stencils and tools. Fast drying.

### **KIWO CleanWipes EL 8160**

Water-based, 1-phase medium which removes printing pastes from stencils, misprints, squeegees and tools. Pleasant odour.

### **KIWO CleanWipes HygienePlus**

Ready-to-use disinfectant for hands and surfaces according to WHO formulation

The original box contains 12 dispensers with 60 wipes each.
